Please sponsor a child

Families attending the Brainwave Centre are looking for hope. Hope that their child may one day be independent. Of course for many children with severe disabilities, complete independence is impossible. But at Brainwave, we have the time and facilities to give every parent the very best opportunity to learn the skills which will release their child's potential. Since 1982, Brainwave has helped hundreds of children from throughout the UK, some with Cerebral Palsy, others with specific genetic abnormalities, all with developmental delay. Our response to parents is always positive. Let's see what can be achieved. Whilst our therapy team has the skills, it is the parents who have the dedication, love and commitment which no other carer can ever match. That is why the outcome from every child's initial two day assessment is a home based therapy programme, so parents can practice the exercises with their child each day for up to two hours. With this amount of structured play and formal exercise, the results can be exceptional. Children are reassessed every four to six months, and the individual programmes changed appropriately.

Brainwave relies entirely on voluntary contributions. That's why we desperately need your help today. Please make a donation and give a child a brighter, better future. £20 will purchase a physio ball, £80 will provide a therapy table. £100 supports the running costs of the hydrotherapy pool. A regular monthly donation will be even more beneficial, helping the Charity to expand its provision. Please use the attached form to make your gift and if you are a UK taxpayer, please complete the Gift Aid Declaration so the Charity can recover an extra 28p in the pound. Thank you.

"As parents we now feel that with the Brainwave programme we are continually doing our utmost. We are confident that Clementine will be sitting up to blow out her candles on her second birthday."

"Benjamin has come on leaps and bounds since undertaking the Brainwave exercises. The way in which everyone works as a team, makes us feel very much part of a big family."

I want to help with this appeal

I enclose my (company) cheque / CAF voucher payable to Brainwave for £ _____

If you wish us to debit your Visa / MasterCard / Delta card, please complete below.
